

Quality Policy Statement

ASE Group through its various divisions is committed to deliver the highest quality of services in compliance with customers', regulatory and statutory requirements and will conform to applicable International Standards and best practices.

ASE Group quality management system is focused on customer satisfaction meeting their needs on a project by project requirement. Our goal is to deliver '**accelerated success**' to our clients and the quality policy is critical to achieving this.

We are committed to:

- Determine requirements and meet the requirements of our clients.
- Ensure all our services delivered by competent personnel and using suitable and sufficient resources, equipment and tools.
- Meet our targets in service, quality, delivery and cost.
- Constantly review and improve our system meeting the latest technological developments.
- Continually verify the quality of our services and eliminate non-conformities.
- Improve through listening to our co-workers, our clients and competitors.

ASE Groups Integrated Management System comprise Quality System implemented within the company in order to meet the requirements of ISO 9001:2015 International Standard.

In order to achieve our goals, our commitments are reflected in the SMART Quality Objectives.
